

# Mona Vale Road upgrade

Preliminary concept designs:

Transport  
Roads & Maritime  
Services

## Mona Vale Road West and Mona Vale Road East

# Mona Vale Road upgrade

The upgrade of Mona Vale Road is being planned in three stages:

- Stage 1 – Intersection improvement of Mona Vale Road and Ponderosa Parade
- Stage 2 – Mona Vale Road East: Manor Road to Foley Street
- Stage 3 – Mona Vale Road West: McCarrs Creek Road to Powder Works Road

# Mona Vale Road upgrade

The upgrade would:

- Improve safety
- Improve travel times
- Increase capacity
- Manage impact to the environment

# Mona Vale Road West

- Widen Mona Vale Road between McCarrs Creek Road and Powder Works Road
  - Two to four lanes with a central concrete safety barrier
  - 2.5 metre shoulders to allow a safer area for breakdowns and on-road cyclists

# Kimbriki Road

- Widen the intersection of Kimbriki Road and Mona Vale Road
- Replace existing intersection with:
  - New traffic lights
  - Signalised pedestrian crossing
- Provide a westbound truck climbing climbing lane on Mona Vale Road to the west of Kimbriki Road

- Manage impact to local environment and National Parks

# Wirreanda Road/Tumburra Street

Transport  
Roads & Maritime  
Services

- Widen and upgrade the intersection of Mona Vale Road and Tumburra Street
- Provide a new underpass to connect Tumburra Street with Mona Vale Road
- Westbound through traffic on Mona Vale Road will travel over the intersection

# Mona Vale Road West

Transport  
Roads & Maritime  
Services

- The project would improve motorist safety

# Multi-use path

- Provide a multi-use path for pedestrians, cyclists and horse riders
- Align multi-use with new utility corridor for electricity, gas and other cables

# Addison Road

- Close traffic access to Mona Vale Road from Addison Road
  - Existing intersection gated to provide an alternate exit from Addison Road in the event of bushfire or other emergency
- Build a new road joining Addison Road and Tumburra Street to allow access to Mona Vale Road

# Completed upgrade work

- Improvements have been made to Mona Vale Road in both directions from Powder Works Road to Manor Road.

# Mona Vale Road East

- Widen Mona Vale Road between Manor Road and Foley Street
  - Two to four lanes with a central concrete safety barrier
  - Safety barrier located east of Manor Road to west of Daydream Street
  - 3 metre shoulders to allow a safer area for breakdowns and on-road cyclists

# Ingleside Land Release

Transport  
Roads & Maritime  
Services

- Working with Pittwater Council and the Department of Planning and Environment
- Taking into account projected traffic growth in upgrade modelling

# Mona Vale Road East

Transport  
Roads & Maritime  
Services

- The project would consider the local environment

# Samuel Street/Ponderosa Parade intersection

Transport  
Roads & Maritime  
Services

- Replace existing roundabout with:
  - New traffic lights
  - Signalised pedestrian crossing
- Provide bus priority lanes
- Relocate eastbound bus stop on Mona Vale Road further east

# Foley Street

- Upgrade existing signalised T-intersection with:
  - Westbound left turn lane into Foley Street
  - Westbound left turn lane out of Foley Street
