Dear Registry

Urgent Request for Vacation of Mediation and Dismissal Listing

We refer to the matter of *Philip Charles Walker v Roads and Maritime Services* (NCAT No. 2018/00208579) and the Roads and Maritime Services' (**RMS**) Notice of Decision dated 2 July 2018 (**Decision**) and the material listed in paragraph 3.2 of the Decision (**Documents**).

We have just received instructions that our client is willing to release the Documents to the Applicant.

Our client is currently preparing copies of the Documents and will be in a position to provide electronic copies of the Documents to the Applicant before 27 September 2018.

Our client considers that providing the Documents resolves the matter. On this basis, we apologise for the short notice but we seek to **urgently vacate the mediation** listed for 21 September 2018 and we request to have the matter listed for dismissal in approximately two weeks. This will provide Mr Walker with an opportunity to relist the matter if he wishes.

We have copied Mr Walker on this letter.

Please contact us if you have any questions. We will call late this afternoon to check the status of the matter.

Yours faithfully

Vanessa Andersen
