Dear Mr Walker

Urgent Request for Vacation of Proposed Mediation

We refer to the matter of *Philip Charles Walker v Roads and Maritime Services* (NCAT No. 2018/00208579) and the Roads and Maritime Services' (**RMS**) Notice of Decision dated 2 July 2018 (**Decision**) and the material listed in paragraph 3.2 of the Decision (**Documents**).

We have just been instructed that the tender assessment process for the Mona Vale Road East project has progressed to such an extent that RMS is willing to release the Documents to you.

Our client is currently preparing copies of the Documents. We will be in a position to provide electronic copies of the Documents before 27 September 2018.

Our client considers that providing the Documents resolves the matter. On this basis, we apologise for the short notice but we seek to **urgently vacate the mediation** listed for 21 September 2018 and we request to have the matter listed for dismissal in approximately two weeks to allow you the opportunity to review the Documents and to relist the matter if you wish to.

We have also copied the Tribunal into this letter.

Yours faithfully

Vanessa Andersen
