Dear Registry

### Conversation with the Applicant and the Respondent's urgent request to vacate the mediation

We refer to the matter of *Philip Charles Walker v Roads and Maritime Services* (NCAT No. 2018/00208579) and our letters dated 20 September 2018, which urgently requested that the mediation listed tomorrow (21 September 2018) at 10am be vacated.

We apologise for the lateness of the request and this update.

We telephoned the Applicant, Mr Walker, this afternoon and requested that he contact the NSW Civil and Administrative Tribunal's (NCAT) Registry regarding the Respondent's request for urgent vacation of the mediation listed for 21 September 2018.

Mr Walker informed us that he does not have access to his emails and has not seen the Respondent's letters dated 20 September 2018.

We informed Mr Walker that the Respondent seeks to urgently vacate the mediation listed for 21 September 2018 on the basis that we were instructed today to release documents to him. Mr Walker has informed us that he wishes to proceed with the mediation.

We will be **attending** NCAT tomorrow morning and will be requesting the mediation be vacated on the basis that documents will be provided to Mr Walker. We are endeavouring to expedite the delivery of those documents. It may be that we have documents to provide to Mr Walker in person tomorrow.

Yours faithfully

Vanessa Andersen
