

# Come out for Pittwater!

**Tuesday, 11th July, 6.30-8pm,  
Mona Vale Golf Club. All welcome.**

Friends of Mona Vale has booked a room at Mona Vale Golf Club as the venue for a series of monthly community meetings, (second Tuesday of the month, 6.30-8pm).

Overwhelmed by so many issues, we feel there is a need for a regular forum. We will be inviting speakers, including from other Pittwater community groups, with the aim of fostering co-operation and understanding within the Pittwater community.

We believe that while we confront so many significant challenges that it is only by working together as the Pittwater community that they may be overcome.
